**RESPONSES AND OBJECTIONS TO PLAINTIFFS'
"NOTICE TO TAKE VIDEO DEPOSITION OF BRUNO DE LACROIX" AND
ACCOMPANYING REQUEST FOR PRODUCTION OF DOCUMENTS**

Defendants Ethicon, Inc. ("Ethicon") and Johnson & Johnson ("J&J") (collectively, "Defendants") hereby respond and object to Plaintiffs' "Notice to Take Video Deposition of Bruno de Lacroix" (the "Notice"). The Notice was filed and served on October 8, 2013, and the deposition of Mr. de Lacroix is noticed for December 5, 2013. The Notice is attached hereto as Exhibit 1.

Defendants have notified Plaintiffs that Mr. de Lacroix is a French citizen and resident and, as such, Plaintiffs must make a request for his deposition that complies with the Hague Convention. Defendants have also notified Plaintiffs that responsive documents will not be available on the date noticed for the deposition. Defendants will meet and confer with Plaintiffs to determine a mutually agreeable date in January 2014.

The responses and objections contained herein are made without in any way waiving or intending to waive—but on the contrary reserving and intending to reserve—the right at any time to revise, supplement, correct, or add to these objections and responses. Defendants note that no

documents have been withheld from production on the basis of the objections set forth in this Response unless expressly stated.

Defendants generally object to the specific requests to produce contained in the Notice. Plaintiffs have repeatedly requested materials that would impose a much greater burden on Defendants than is required by the agreed-upon Defendants' Fact Sheet. Defendants have corresponded with Plaintiff's counsel on this topic. Defendants object to the broad scope of the requests to produce attached to this Notice. These broad requests go far beyond the case-specific depositions and related discovery authorized in Pre-Trial Order 33.

SPECIFIC RESPONSES AND OBJECTIONS TO NOTICE AND REQUESTS TO PRODUCE

Document Request No. 1: A copy of the current resume and/or curriculum vitae for the deponent.

Responses and Objections to Document Request No. 1: Defendants object that there is no Rule of Civil Procedure that requires a witness to create a resume or curriculum vitae for production. In an effort to cooperate and facilitate this deposition, however, Defendants will provide Plaintiffs a copy of the deponent's current resume to the extent one exists.

Document Request No. 2: A copy of the personnel file and/or employment file for the deponent.

Responses and Objections to Document Request No. 2: Defendants note that deponent's personnel file cannot be produced without deponent's consent, pursuant to French law. We will pursue this issue and update Plaintiffs as to whether Mr. de Lacroix consents to the production of his personnel file.

Document Request No. 3: All documents relating to the TTV products that are in the deponent's personal possession, meaning documents stored or maintained in the deponent's dwelling, home, garage, or any other property owned, rented, leased, maintained or lived in by defendant as well as any documents or electronic media related to the TTV products which is stored or maintained on the defendant's personal property including but not limited to, personal computers, cell phones, flash drives, or any portable [SIC] storage media device.

Responses and Objections to Document Request No. 3: Defendants object to this request as overly broad and as not reasonably calculated to lead to the discovery of admissible evidence. Without waiving said objection, defendants have a reasonable and good faith belief that responsive documents, if any, would have been identified in connection with the collection process and would have been or will be produced. To the extent that additional documents, if any, are identified during the process of preparing for scheduled depositions, Defendants will make a good faith effort to produce such responsive, non-privileged documents in advance of the deposition.

Document Request No. 4: All documents, notes, videos, or other information relating to TTV products that the deponent sponsored, supported, edited, posted, and/or linked websites, FaceBook pages, MySpace pages, Twitter pages, Wikipedia, or pages on any other websites.

Responses and Objections to Document Request No. 4: Defendants object to this request as overly broad and as not reasonably calculated to lead to the discovery of admissible evidence. Without waiving said objection, defendants have a reasonable and good faith belief that responsive documents, if any, would have been identified in connection with the collection process and would have been or will be produced. To the extent that additional documents, if any, are identified during the process of preparing for scheduled depositions, Defendants will

make a good faith effort to produce such responsive, non-privileged documents in advance of the deposition.

Respectfully submitted,

ETHICON, INC. AND
JOHNSON & JOHNSON
